

Important Notice Regarding The Triple Aim Incentive Program Reports

Physicians Health Plan (PHP) recently announced that your first Incentive report (TAIP) would be available March 15, 2018, via the provider portal. PHP is working diligently to get your first report finalized and available for review. Once the reports are finalized, PHP will send a mailing to Providers announcing that the reports are available. PHP apologizes for the delay. We look forward to working together to improve the health of our community.
